Corns 'Tween Toes? Use Easy "Gets-It"

Any Corn or Callus Comes Off Peace fully, Gloriously. Never Fails. It is easy for "Gets-It" to reach "hard-to-get-at" corns, and better yet, t is easy to remove them, because "Gets-It" makes them come right off

lust like a banana peel. You can try to dig or drag out your corns with a knife, or slice them with a "bloody" razor, or use bandages and tape and knife, or slice them with a 'Dloody' razor, or use bandages and tape and wrap up your toe inte a package, but that's the 'Treat-'em-rough,' painful, foolish way. Use I or 3 drops of 'Gets-It'—that's the peaceful, sure, common-sense way that never falls. You reach the gorn easily with the little glass rod in the cork of every 'Gets-It' bottle. It does not hurt the true flesh. Try it, trot and smile: It's a blessing; never fails.

"Gets-It' is the only sure, guaranteed, money-back corn-remover, costs but a trific at any drug store. Mfd by E. Lawrence & Co., Chicago, Ili. Sold in Topeka and recommended as the world's best corn remedy by Campbell Drug Co., Fercy S. Walker. Alex T. Gibler, Tully-McFarland Drug Co., Klingman & Hoover,—Adv.
